

Drama Team Application

Thank you for taking the time to consider being a part of our student ministry drama team! To help me understand a little more about you we have this new improved application for you to fill out (yay).

To be on the drama team we (you and Troy) will meet to discuss this application. The drama team will be a little unconventional. Because of the way we meet and how things work Sunday night, there will be little to no live drama. Instead, we will be doing almost everything through video. For this reason, we are looking for more than just actors, we also need people who are willing to tape, edit, etc.

There is also a covenant at the end of this application. This is what we look for and expect from someone on the drama team. Please print out two copies of it, sign them both and turn one in with this application (the other you keep, letting you know what being on the worship team entails.)

There will be regular meetings as well as times to meet for taping. Everyone is asked to attend the regular meetings while for specific drams only those who are involved will need to be there.

Please prayerfully consider what this entails. Although this will be fun (as fun as you make it) this is also a ministry and we are doing it for God, which means giving Him your absolute best in all areas, including drama. The goal is not for you to be seen on the big screen, but for God to be glorified in all we do!

Thanks for doing this, and as soon as I get it from you, we'll arrange to talk! See you soon.

Drama Covenant

I faithfully follow and hold to the tenants of Christian faith and am in an active and growing relationship with Jesus Christ.

I understand that I am an example to others merely by being up front for worship and will be a good example in both active (paying attention at youth, doing what is asked of me) and passive (not drinking, cursing, doing drugs, smoking, having sex) roles both at all youth activities and at other activities away from the church.. I also understand that this also applies to my activities online, and how I act in the virtual world is a reflection on who I am in real life.

I commit myself to F.I.R.E. & W.A.T.E.R. Ministries, the student ministry of Fishers United Methodist Church, by attending one-third of all youth activities. If I do not for any given month, I will not play with the worship team for the following month.

I commit to the drama team by being at meetings and tapings I am asked to attend.

I commit to working with others well and listening to those in charge and working with them (basically, not being a drama king/queen).

If I am ever unable to not take part I will give Troy or Mr. Henke two weeks notice before the meeting/taping.

I commit to doing my best, be it through drama or any other area of my life, to get to know Jesus better and to do whatever I can to share the love He has given me with others.

If, for any reason in a one month time period, I do not fulfill one of the following, I understand there will be a one month probation in which I will not be in any dramas and will talk to Troy about these issues.
